DIARY NO. 2150

Office of the Food Controller and
Director of Civil Supplies in Mysore
Bangalore, Dated 25th August 1919
St 21

From Early copy
K. MATTHAN, Esq., B.A.,
Food Controller and Director of Civil Supplies in Mysore.

To Am 26-8-19
C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore.

Sir,

2 I have the honour to state that a small modification appears to be necessary in Government Notification No. G.17591/P.P.134-18-300 dated 17th February 1919, which states that exports of controlled foodstuffs by rail will be permitted only on priority certificates issued by the Director of Civil Supplies in Mysore. A priority certificate is primarily intended to indicate that a particular consignment is to receive preference in the matter of booking and transport. It is not the same thing as an export permit although it is possible to control exports by insisting on such certificates being taken out. The instructions of the controller of Traffic, Railway Board, are that such certificates should as a rule be issued only by the Director of the importing province and not by the Director of the exporting province. There may be cases in which there is no objection to the export of some controlled foodstuff from the State being allowed, but this would not necessarily justify the issue of a priority certificate as the commodity may not be one entitled to priority. For instance, in regard to the export of 500 tons of chillies that the Government have just now allowed, under the notification that I have quoted, it will be necessary that priority certificates for such exports should be issued by me. But this would be contrary to the instructions of

4

of the Controller of Traffic and the Directors of the importing provinces may not also care to issue priority certificates as the import of chillies into their provinces may not be such an urgent matter. In such cases the correct procedure appears to be that I should issue a permit authorising the export and the exporter should take his chance of getting the commodity ^{booked} by the railway company with reference to the availability of waggons. If the Director of any other province wants chillies urgently he can issue a priority certificate, which I can countersign. I request that the notification may be suitably modified in the light of the above.

I have the honour to be,

Sir,

Your most obedient servant,

K. M. P. H.

Food Controller & Director
of Civil Supplies in Mysore

KM/MPH.
